Tips for Parents:

This Dinnertime Devotional can be used at any meal, and is designed to reinforce the truths being taught at Superkid Academy.

Make sure you set the example by using your Bible, and read the verses out loud. (We use the New Living Translation with most of our lessons. But reading other translations can also be a great teaching opportunity.)

Take a few minutes and read any other scriptures listed, so you can reinforce the main theme of the lesson.

Let your questions guide the time. In other words, let your kids do most of the talking. We’ve provided questions here, but feel free to add your own, using examples from your lives. (Remember to avoid yes or no questions, since they do not foster conversation.)
