The Word of God is a light to our path:

This light is available to all who choose to believe. John 1:5
It is better to walk in light than in darkness! Acts 6:14
God’s light and His glory shine on us. Isaiah 60:1
We are a vessel for God’s light. Matthew 5:16
God shines His light in our hearts to reveal His goodness. 2 Corinthians 4:6

Family Review Questions:
1. When you read God’s Word it is a guide and light for your path in this world. How has God’s Word guided a recent decision you made?

2. By walking in the light of God’s Word, how can you be a light to others around you?

Tips for Parents:
This Dinnertime Devotional can be used at any meal, and is designed to reinforce the truths being taught at Superkid Academy.

Make sure you set the example by using your Bible, and read the verses out loud. (We use the New Living Translation with most of our lessons. But reading other translations can also be a great teaching opportunity.)

Take a few minutes and read any other scriptures listed, so you can reinforce the main theme of the lesson.

Let your questions guide the time. In other words, let your kids do most of the talking. We’ve provided questions here, but feel free to add your own, using examples from your lives. (Remember to avoid yes or no questions, since they do not foster conversation.)
