IT’S ALIVE

Ask your superkid to name the chapter and verse of the Memory Verse above.

The Word of God is alive and powerful:
- God is light and He is life. John 1:3-5
- We were created to be alive like God. Ephesians 4:24
- Words are extremely powerful. Hebrews 4:12
- Our words contain life or death in them. Proverbs 18:21
- God’s words are life-giving. Proverbs 4:22

Family Review Questions:
1. The words you speak are “containers.” They contain life or death. Proverbs 18:21
   Discuss how the words you speak influence the lives of those around you.

2. Have each member of your family write a short list of words that are powerful and life-giving that they can speak into the lives of others. Also, take a moment to write a few words that are important for each person to hear, words that are uplifting and edifying to your own heart.

Tips for Parents:
- This Dinnertime Devotional can be used at any meal, and is designed to reinforce the truths being taught at Superkid Academy.
- Make sure you set the example by using your Bible, and read the verses out loud. (We use the New Living Translation with most of our lessons. But reading other translations can also be a great teaching opportunity.)
- Take a few minutes and read any other scriptures listed, so you can reinforce the main theme of the lesson.
- Let your questions guide the time. In other words, let your kids do most of the talking. We’ve provided questions here, but feel free to add your own, using examples from your lives. (Remember to avoid yes or no questions, since they do not foster conversation.)
