GAME TIME

SIGNED, SEALED, DELIVERED

Suggested Time: 10 minutes

Memory Verse: Heal the sick, raise the dead, cure those with leprosy, and cast out demons. Give as freely as you have received!

Matthew 10:8

Supplies: ■ Stopwatch, ■ Heavy, oversized jacket, ■ Baseball cap, ■ Swimming flippers, ■ Scarf, ■ 8 Pieces of paper, ■ 8 24-Inch strings (to attach to paper), ■ 4 Safety pins, ■ Tape, ■ Felt-tip marker (to label papers)

Prior to Game:

- On each of 4 pieces of paper, write 1 of the following words: SIN, CURSED, SICK, POOR. Attach 1 paper to each article of the costume clothing with a safety pin.
- On each of 4 more pieces of paper, write 1 word or phrase: SET FREE, BLESSED, HEALED, PROSPEROUS. Attach 1 string to each piece of paper in such a way that it can be worn as a sign around a Cadet's neck. Place this second set of 4 pieces of paper around the room to create 4 different "stages."

Game Instructions:

- Choose 1 boy and 1 girl to compete in this timed relay. The Cadets will compete 1 at a time.
- After starting the stopwatch, have one Cadet dress quickly in the costume jacket, baseball cap, scarf and flippers.
- Once the Cadet has fully dressed, he or she will go to each "stage," drop 1 piece of costume clothing, and place 1 of the signs around his/her neck.
- When the Cadet arrives back at the start line, stop the clock.
- Add players to each team to extend the game if necessary. Combine total time for team scores.

Game Goal:

- Replace your old sin "clothes" with the BLESSINGS of the Word of God, and beat the clock! The Cadet who finishes the fastest, wins.

Final Word:

- Superkids, Jesus came to your rescue! Your future is signed, sealed and delivered, forever. You are healed, set free, blessed and prosperous. If you see someone wearing the wrong "clothes" tagged with sin and the curse, ask God to show you what He wants you to do so they can receive their new signs!

OBJECT LESSON

PARTNER WITH GOD

Suggested Time: 5-8 minutes

Key Scripture: They will be able to handle snakes with safety, and if they drink anything poisonous, it won't hurt them. They will be able to place their hands on the sick, and they will be healed.

Mark 16:18

Teacher Tip: Whenever you are using tools, please read and follow all safety requirements. Also, prepare for any possible mess by using a dropcloth or container to catch debris. Ask your ushers to choose a younger, smaller Superkid for your volunteer so the task appears even more impossible.

Supplies: ■ Tape measure, ■ Felt-tip marker, ■ Limb loppers or saw, ■ Two pair of safety glasses, ■ Prize for Superkid volunteer, ■ Broomstick or tree limb (Limb should be longer than 3 feet and too big in diameter for a child to break with bare hands, but small enough in diameter for you to break with your limb loppers.)

Prior to Lesson:

- This lesson involves a task impossible for a child to do alone, but possible to accomplish with the help of a tool and a partner, illustrating that seemingly impossible tasks like healing the sick become possible when we partner with God. All we have to do is use our tools of faith in His Word and do what He tells us to do—lay hands on the sick. God is the One who heals them.

Lesson Instructions:

Say Greetings, Superkids! I'm so glad to see you this morning! I need your help today.

Ask Have you ever needed to get something done, but you couldn't do it all by yourself?

- That's the situation I'm in this morning. Ushers, please choose a helper for me who has been paying attention to the teachers today, is sitting up straight and has on a big smile! I have this long stick that needs to go in the trash pickup, but it is too long. So, I need someone to help me make it smaller.
- I see we have our helper! Please tell the audience your name. Well, _____, thank you for being my helper! Now, here's the situation: For the trash people to pick up this stick, it has to be less than 3 feet long. You can see that it is much longer than 3 feet. You and I are going to work together to cut this stick. Your part will be to hold the stick with one hand, while I measure it, and then put your other hand where we need to make our mark. I will measure, mark and cut the stick. Are you ready? Great! Before we get started, let's put on our safety glasses. Now, with one hand, hold this end of the stick while I measure it. Thanks. With my tape measure, I'll find where the 3-foot mark should go. Place your finger where the 3-foot mark is on the stick. I will get the marker and mark that spot. Now that we have the mark, you can take your finger off so I can cut the stick with the cutters. *(Make sure the child's hand is clear of the area before you place the blades on the stick. Cut the stick at the mark.)*
- We did it! Good job, _____! Could you have broken the stick without me and my loppers? The stick was

Suggested Time: 10 minutes

Offering Scripture: Peter and John went to the Temple one afternoon to take part in the three o'clock prayer service.

As they approached the Temple, a man lame from birth was being carried in. Each day he was put beside the Temple gate, the one called the Beautiful Gate, so he could beg from the people going into the Temple. When he saw Peter and John about to enter, he asked them for some money. Peter and John looked at him intently, and Peter said, "Look at us!" The lame man looked at them eagerly, expecting some money. But Peter said, "I don't have any silver or gold for you. But I'll give you what I have. In the name of Jesus Christ the Nazarene, get up and walk!" Then Peter took the lame man by the right hand and helped him up. And as he did, the man's feet and ankles were instantly healed and strengthened. He jumped up, stood on his feet, and began to walk! Then, walking, leaping, and praising God, he went into the Temple with them.

Acts 3:1-8

Supplies: ■ An empty wallet

Offering Instructions:

- *(Frantically looking through wallet)* Hi, Superkids! I wanted to give an offering to God today, but it seems that I don't have any money. *(Open wallet toward kids to show it is empty.)*

Ask Have any of you wanted to give God an offering but thought you didn't have anything to give?

- Today, we are going to look at how Peter and John gave, even though they had no money at the time (read Acts 3:1-8).
- In Bible times, people who could not support themselves financially would have family members or friends place them outside the Temple gates. As people passed by, they would ask for money from the people coming in and going out of the Temple. When the crippled man asked Peter and John for money, they didn't have any money to give him at that time. But, instead of walking away, they did what they saw Jesus do and gave him what he needed—healing.
- Peter and John were not the only ones who were given the power to heal. When you asked Jesus into your heart, you were given the same power. You are blessed because of Jesus. You have MANY spiritual gifts and other ways you can give and "offer"!

Ask What are some things we can give that don't cost money? Who has felt in his or her heart Jesus talking to you about giving something you have to another person? *(Allow the Superkids to give you various answers.)*

- Those are all GREAT answers! Let's ask God this week to show us ways we can give offerings to Him from the gifts He has already given us.
- And remember, with Jesus, we are NEVER without something to give!

- People were healed when they touched Him. [Luke 6:17-19](#)

- Superkids understand that the same power that raised Jesus from the dead lives in us! [Ephesians 1:19-20](#)
- It makes our bodies alive. [Romans 8:11](#)
- Like the friends brought the man to Jesus, you bring Him to the people *you* lay hands on.
- Since Jesus gave you healing so freely, *you* freely give it to others!

Be BOLD! Be a believer.

Superkid, when you lay hands on the sick, they will recover!

A Word From Commander Kellie: What stops Christians from laying hands on the sick? Fear of being rejected or laughed at, perhaps. I think the biggest fear would be that nothing will happen, and that person won't get healed. If they are afraid of this, then they aren't BELIEVING Mark 16:15-17, but DOUBTING it!

Today, as you take the Superkids through the Word about laying hands on the sick, FAITH WILL COME (Romans 10:17)! You can then lead them to an on-purpose choice to believe!

Driving out fear will enable and excite the Superkids to freely give to others what has been given to them. Help your Superkids know that while Jesus did ask us to lay hands on the sick and to believe, He didn't ask us to heal anyone. That's His part. And, He is always faithful to do His part!

No fear there! Let's go!

REAL DEAL

JOHN G. LAKE

Suggested Time: 10 minutes

Concept: Highlighting an interesting historical place, figure or event to illustrate the theme of the day. The theme of the day is I lay hands on the sick, and they recover.

Teacher Tip: Entering in costume is an attention grabber for the Cadets. Bringing in other media such as photos, on-screen or printed, videos or props is helpful to keep the Superkids engaged and gives more clarity to your presentation.

Teen Tip: Getting teens involved to help is a great way to keep the Superkids' attention. Feel free to keep notes with you up front, but ALWAYS review your script beforehand.

Costume: Early 20th century suit or a nice suit

Supplies: ■ Photos (pictures from the Internet), ■ Map to show the places where John G. Lake traveled

Intro:

- John G. Lake's ministry revealed that God's power to heal reached beyond the time Jesus was here on earth.
- John G. Lake taught that Christianity is a "strong man's gospel," and God wants EVERYONE to experience His health and wholeness.
- He trained others how to heal people by the power of God and cast out devils. He evangelized North America, South Africa and other nations.

Lesson:

Overcoming Sickness:

- John G. Lake was born in Ontario, Canada, March 18, 1870, into a very sick family. One of 16 children, he grew up in Canada and then Michigan in a house full of disease, doctor visits and death. Eight of his brothers had passed away before he became an adult. He was also sick with a digestive disease that nearly killed him.¹
- When John was 16, he received Jesus into his heart at a Salvation Army meeting. After years of uncomfortable treatments, John was on the brink of death and prayed, "Lord, I am finished with the world and the flesh, with the doctor and the devil. From today, I lean on the arm of God." He was healed.
- Then, John got rheumatism in his legs, but he knew it was NOT God's will for him to be sick. He heard of John Alexander Dowie's Divine Healing Home in Chicago and went to a meeting where his legs were straightened by the power of God. He saw many others get healed, too. He knew then that God's miracles were for today and didn't end with stories from the New Testament Church.

Healing for His Family:

- In 1891, John married Jennie Stevens. Five years later, she was diagnosed with tuberculosis and an incurable heart

disease. She soon became an invalid. At the same time, John's other brothers and sisters were lying on their deathbeds. John was determined to help them all receive healing.

- John took his brother, who'd been an invalid with bleeding kidneys for years, to Dowie's healing home, first. He was healed. Next, he took his sister, who was dying of five cancers, and she was healed. Even after such healings, another of his sisters whom he was especially close to lay dying of an issue of blood. He received a telephone call telling him if he wanted to see her alive, he should come see her one last time. When he arrived, she appeared to be dead, but Lake was determined. He sent a telegram to John Alexander Dowie in Chicago, asking him to pray. Lake received an answer back: "Hold on to God. I am praying. She will live." John continued to pray, and an hour later, she woke up and was well within a few days.
- At the same time, John's wife, Jennie, was getting worse. Her heart was giving out as she struggled with tuberculosis. Sometimes, she was paralyzed. The doctors gave her a short time to live, and even their family ministers told John to be reconciled to the will of God and let her die. John was so discouraged by the minister. He thought about their children and how much he loved his wife. *How could her death be God's will?* He began to pray, and when he opened his Bible, it fell open to Acts 10:38: "God anointed Jesus of Nazareth with the Holy Ghost, and with power: who went about doing good, and healing all that were *OPPRESSED OF THE DEVIL*; for God was with him." As he read, Lake said, "Like a flash from the blue, these words pierced my heart. 'Oppressed of *the devil!*' Then *God* was not the author of sickness, and the people whom Jesus healed had not been made sick by God! He decided to make an appointment with the Healer instead of death for his wife. John called and telegraphed friends and family asking them to pray because at 9:30 a.m. a few days later, he was going to lay hands on his wife, and she would be healed.
- On April 28, 1898, at 9:30 a.m., John laid his hands on his wife and prayed for her, and she was healed! This began John and Jennie's healing ministry. The sick began flocking to their home to be prayed for when they heard of Jennie's miracle in the news. As time went by, even though John became a very wealthy businessman, the call of God was constantly tugging at his heart.

Called to South Africa:

- In 1907, John Lake was baptized in the Holy Spirit. The same year, he received a four-hour vision from the Lord in which God told him he would be going to Africa! He was determined to trust in God only, so he and Jennie gave away all they owned and looked to God for their supply.
- February 1908, John left with a group of missionaries and his family to go to South Africa. He had just enough money to buy the tickets for their voyage. He had \$1.25 left in his pocket for himself, his wife and seven children, but he knew God had spoken and that He would provide. And God did provide—every step of the way! By the time the Lakes got off the ship, someone had given them \$200 and they had been offered a fully furnished house in Johannesburg. Shortly after, John was asked to preach in a church for a few weeks while the pastor took a leave of absence. As John preached, a mighty outpouring of the power of God came into that church and spilled into the community. News of the signs, wonders and miracles happening in the church services brought hundreds of people pouring into the area, opening the door for five years of powerful ministry throughout all of South Africa.
- John G. Lake's ministry in South Africa became noted for signs, wonders and miracles:
 - o In one area, people were dying of a plague, but everyone was too afraid to touch the dead to bury them. John began burying the dead because he was not afraid. The doctors and scientists told him that the disease was highly contagious and he would die if he didn't stop helping people who had the plague and burying those who had died from it. John G. Lake said, "No... when disease touches my hand, it dies." He challenged the doctors, saying he could prove it. So, the doctors placed a sample of plague-infested saliva from a dead man's mouth onto John's hand and watched through a microscope with great surprise as the germs died on contact with his hand!
 - o John challenged Buddhists, Yogis, Confucianists and hypnotists that his God was the true God. He told them that Jesus would heal a lady with a locked hip. So, John let them try to heal the lady themselves for months until

finally, he told them to step aside. He laid his hands on her and prayed in the Name of Jesus. She was instantly healed!

- o On one occasion, John had to leave a healing meeting early, so he laid his hands on a rock and prayed, transferring the healing anointing on him to the rock. He told the congregation to touch the rock and they would receive healing. Lepers, and many others who touched it, were healed and restored.
- o Another time, a plague had overtaken a city, but John and another man prayed until the Lord showed him in a vision demons hovering over the city. In the vision, John saw them all leave as he and his friend prayed. The next day, the city was miraculously delivered from the plague. It disappeared just as he had seen in the vision.
- o While pastoring a church in South Africa, John and his congregation were praying at a Sunday service. A member got up and requested prayer for a cousin in Wales, U.K., who was violently insane and in a mental institution. As they prayed, John sensed a powerful anointing come on him from the Holy Spirit. He suddenly found himself in the spirit, approaching the mental institution in Wales, 7,000 miles away! He noticed the big doors and then found himself standing next to the insane woman who was strapped to a cot, wagging her head back and forth and muttering incoherently. John knelt down, put his hand on her forehead and prayed for her, strongly, in the Name of Jesus Christ, the Son of God, for the demons to come out of her, and commanded her to be healed by the power of God. She snapped out of her madness, opened her eyes and smiled up at him. He knew she was healed and in the next moment, John became aware, once again, that he was kneeling in prayer back in his church in South Africa! After three weeks, his church member received a letter from a relative saying that the cousin who had been in the mental institution for seven years had suddenly become well. The mental institution had no explanation, but the woman had been restored and discharged from the facility. God had transported John miraculously in the spirit to Wales and back to South Africa! (See Acts 8:39-40.)
- John's wife, Jennie, died in December 1908, while he was away at a meeting a long distance from their home. She had worked too hard to care for the sick who were camping in the Lakes' front yard, waiting for John to come back and pray for them to be healed.
- John was heartbroken, but continued his work in South Africa. In 1909, about a year after Jennie's death, he decided to move his family back to the United States to raise more money and recruit more missionaries for the work in South Africa. While they were gone, the ministry continued in South Africa through a national named Elias Letawba who built Patmos Bible School, which graduated thousands of trained workers who carried the gospel throughout all Africa.
- John returned to South Africa in 1910 with \$3,000 and eight more missionaries. For the next three years he worked very hard, and by 1913 his ministry included 1250 preachers, 625 churches and 100,000 people who had been born again, as well as countless miracles, signs and wonders.
- After John and his children returned to America the second time, in 1913, they traveled around the country, going from city to city, visiting old friends and resting. During that year, John met and married Florence Switzer. They moved to Spokane, Washington, and eventually had five children together.

Lake's Divine Healing Homes:

- While in Spokane, in 1915, John opened "Lake's Divine Healing Rooms"² where he trained his students to be "healing technicians." He taught them how to help people receive their healing by the power of God.
- His healing technicians were taught the Word of God in classrooms and then sent out to sick people's homes to get them healed. They were not allowed to return until the person was healed. Sometimes, it was instant, and sometimes it took weeks. But, everyone always came back with the report that God's healing power worked!

² "The Healer: John Graham Lake," http://www.enterhisrest.org/charismata/lake_biography.pdf, from *Let Light Shine Out: The Story of The Assemblies of God in the Pacific Northwest* by Ward M. Tannenburg, Ph.D (7/16/12).

- Many people didn't believe God was really healing people in John's meetings and in the healing rooms, so he invited a team composed of people from the Better Business Bureau, doctors, lawyers, educators and businessmen to confirm that people were truly being healed by the power of God. After the committee had interviewed some of the people they had heard about who were healed, John G. Lake said, "Two members of the committee saw us privately and said that the committee was astounded. They said, 'We soon found out, upon investigation, you did not tell half of it.'" They were overwhelmed by the great and miraculous healings by the power of God.
- In just five years, over 100,000 documented cases of sickness were healed in John G. Lake's healing rooms in Spokane, including:
 - o A pastor who had violent fits
 - o A man with a tumor three times larger than his head sticking out of his shoulder
 - o Malnourished babies
 - o Broken bones
 - o A woman who was left to die from a fibroid tumor, gallstones and missing organs removed through surgery was healed, and her organs regrew
 - o An invalid woman suffering from digestive issues, tuberculosis, rheumatism, one of her legs 3 inches shorter than the other and a foot an inch longer than the other was completely healed. Her shorter leg grew an inch each day until she was normal
 - o A woman with a 30-pound fibroid tumor in her abdomen
 - o A boy born with a closed head, paralyzed and couldn't speak, made totally normal
 - o Blindness
 - o Many, many more!
- In 1920, John started healing rooms in Portland, Oregon, where there were over 100,000 documented healings, as well.
- In 1925, John began traveling to create more healing rooms and started churches throughout the United States and Canada.

Making History:

- In only five years of ministry in Africa, John G. Lake had started 625 churches, trained 1250 preachers and caused over 100,000 people to come to know Jesus as their Savior and Lord!
- Just five years after he began his healing home in Spokane, Washington, a government report was released that Spokane was the healthiest city in America. The report stated, "Rev. Lake, through divine healing, has made Spokane the healthiest city in the world, according to United States' statistics."³
- Look how just one man changed his city, his nation and the world because he believed that God is our healer, even when others didn't!

Outro:

- John G. Lake passed away in 1953 at age 65, having lived a full life of ministry and left a strong heritage of faith. He passed down the knowledge of God's healing power to others, and because of his ministry, there are now over 1,000 healing rooms in 45 countries.

Tips for Parents: This Dinnertime Devotional can be used at any mealtime, and is designed to reinforce the truths being taught at Superkid Academy.

Make sure you set the example by reading the verses out loud from your Bible. (We use the *New Living Translation* with most of our lessons, but reading from other translations can also provide a great teaching opportunity.)

Take a few minutes to read any other scriptures listed in the lesson so you can reinforce the main theme.

Let your questions guide the discussion time. In other words, allow your kids to do most of the talking. We've provided some questions here, but feel free to add more, using examples from your own life. (Remember to avoid asking questions that only require yes or no answers, since they do not foster conversation.)
